Commissioner of Patents

Dear Sirs:

Applicants respectfully requests that a Certificate of Correction be issued noting the correct PCT filing date should be **January 30, 2003**.

As required by 37 CFR 1.323 Patentee hereby asserts that this omission occurred without deceptive intent, is clerical in nature and of minor character, and that the issuing of a Certificate of Correction by the U.S. Patent Office should be granted as it would not include adding new matter nor would such change require a reexamination.

The fee for the Certificate of Correction as required under 37 CFR 1.20(a) of \$100.00 is enclosed. Also the processing fee as required under 37 CFR 1.17(i) of \$130.00 is also enclosed.
